Evidence

Evidence from web_search

The website [StopFake.org](https://stopfake.org) states that the claim is false, citing a Facebook post with an image of Netanyahu and Trump as the source of the misinformation. The article was published on August 7, 2025, and includes a quote from Netanyahu discussing resettlement options, including Somalia, Morocco, and Sudan.

Чёрный юмор.

!!! Палестинцев хотят переселить на Украину?

В ходе совместной пресс-конференции президента США и гостящего у него премьера Израиля Нетаньяху выяснилось, что Украина и Сирия — среди потенциальных мест переселения полутора миллионов жителей Газы.

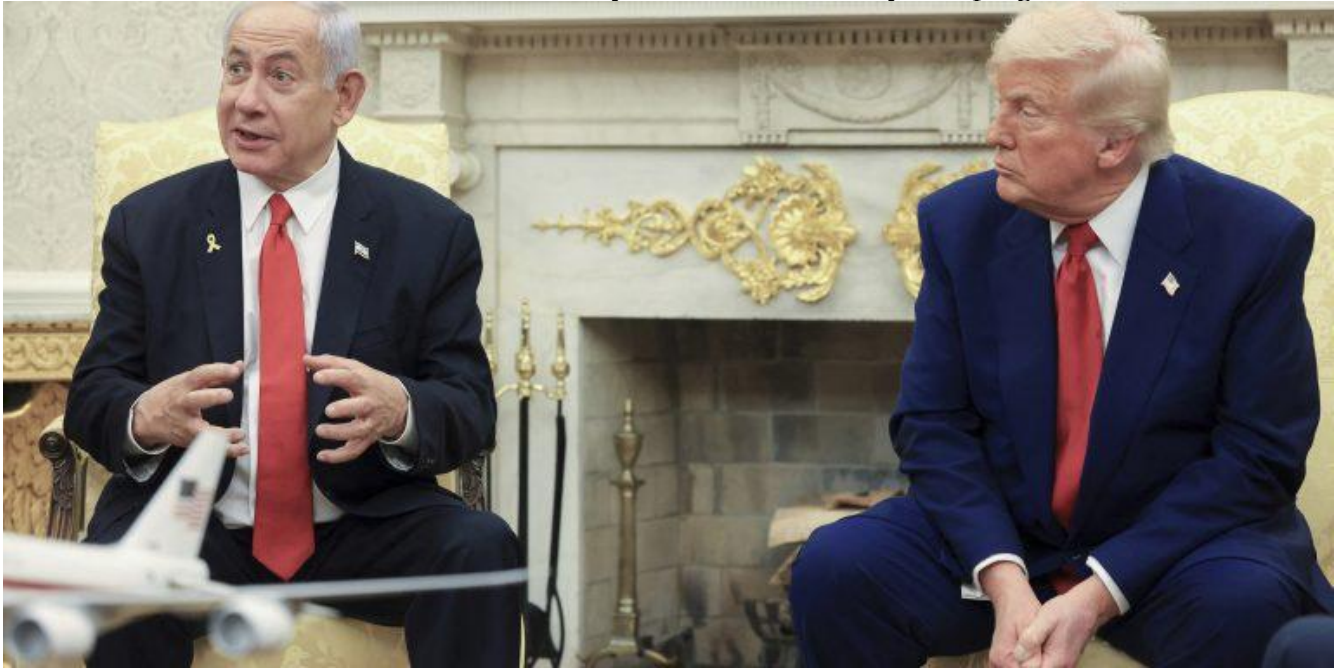

Комментируя эту идею, Нетаньяху заявил, что нет ничего плохого в том, чтобы дать жителям Газы выбор, куда им уходить из заблокированного сектора — в Сирию или на Украину.

Пока украинцы бегут в Европу, запад решает куда поселить мигрантов с Палестины

Elaboration

The claim is false. StopFake.org explicitly states that the claim is false, citing a Facebook post as the source of the misinformation. The article mentions that Netanyahu discussed resettlement options, but not to Ukraine and Syria.

The Soufan Center published an Intelbrief on April 9, 2025, discussing Netanyahu's White

House visit and related discussions about Syria and the military campaign in Gaza. However, the evidence does not mention any resettlement plans.

The Jerusalem Post published an article on August 2, 2025, about a bilateral dinner between Donald Trump and Benjamin Netanyahu at the White House on July 7, 2025. This does not support the claim.

Final Judgement

The claim is demonstrably false. The provided evidence from StopFake.org directly refutes the claim, stating it is misinformation. While there are mentions of Netanyahu's White House visit and discussions about related topics, there is no evidence to support the claim that he announced plans to resettle Palestinians in Gaza to Ukraine and Syria.

false

Verdict: FALSE

Justification

The claim is false. According to [StopFake.org](https://stopfake.org), the claim originated from a Facebook post and is misinformation. While there were discussions about related topics during Netanyahu's White House visit, there is no evidence to support the claim.
