- <https://www.al-monitor.com/originals/2024/07/what-kamala-harris-has-said-israel-gaza-war>

Elaboration

The evidence provides an Al-Monitor article that includes an image of Kamala Harris on July 22, 2024. However, the evidence does not contain the specific statement "Our support for Israel will continue" from that date. The NPR article from August 23, 2024, quotes Harris saying, "Let me be clear, I will always stand up for Israel's right to defend itself and I will always ensure Israel has the ability to defend itself." This statement, while related to support for Israel, is not the same as the one in the claim.

Therefore, the claim remains unverified.

Final Judgement

The available evidence does not confirm that Kamala Harris made the specific statement "Our support for Israel will continue" on July 22, 2024, amid Israeli Prime Minister Benjamin Netanyahu's visit to the United States. While there is evidence of her support for Israel and her meeting with Netanyahu, the exact quote is not found in the provided sources.
