```

Evidence

Evidence from `image_search`

The image of the woman holding a skeleton is AI-generated, according to [kashif.ps](#) and [news.abplive.com](#).

غزة - فلسطين

The Daily Mail published an article with images of emaciated children in Gaza.

Evidence from `image_search`

From [Source](#): Content: Rolling Stone published an article about the World Press Photo of the Year, which features a photograph of a woman in Gaza holding the body of her child wrapped in a shroud.

Elaboration

The claim that the image depicts an authentic scene is false. Evidence from image searches indicates that the image is AI-generated, as reported by kashif.ps and news.abplive.com. The evidence also includes an article from Rolling Stone about a World Press Photo of the Year, which features a photograph of a woman in Gaza holding the body of her child wrapped in a shroud.

Final Judgement

The image is AI-generated, and therefore the claim that it is an authentic image is false.

false

Verdict: FALSE

Justification

The image in the claim is not authentic. Multiple sources, including kashif.ps and news.abplive.com, confirm that the image is AI-generated.
