Elaboration

The claim that the image shows a military parade on August 14, 2024, is inaccurate. The evidence indicates that Poland's Armed Forces Day is celebrated on August 15th. The provided image is likely from a military parade in Poland. The evidence does not support the claim that the parade was in preparation for war with Russia.

Final Judgement

The image is from a military parade in Poland, which is held on August 15th, not August 14th. The claim also incorrectly states the parade was in preparation for war with Russia.
