False

[About this rating](#) 

Howard Buffett, Warren Buffett's son, donated more than \$800 million to Ukraine since 2022 through his own foundation. The Howard G. Buffett Foundation's total grantmaking in support of mitigating the war's impact on Ukraine will exceed \$1 billion by the end of 2025. The foundation spent \$510,986,831 in Ukraine since the start of the war, according to its 2023 report.
