### Evidence from `image_search`

The search results include images of meetings between Ethiopian and Israeli officials.

## Elaboration

The Palestine Chronicle, The Times of Israel, and Middle East Monitor report that the Israeli ambassador was expelled from the African Union headquarters and a conference on the Rwandan genocide. However, the evidence does not specify that the ambassador was expelled in April 2025.

Insufficient information is available to verify the claim.

## Actions

```
image_search("Ethiopia Israel ambassador expulsion date")
```

## Evidence

No new evidence found.

## Elaboration

The evidence indicates that the Israeli ambassador has been expelled from the African Union headquarters and a conference on the Rwandan genocide. However, there is no information about the date of the expulsion. Therefore, the claim cannot be verified.

## Final Judgement

The search results show that the Israeli ambassador was expelled from the African Union headquarters and a conference on the Rwandan genocide. However, there is no information about the date of the expulsion. Therefore, the claim that Ethiopia expelled Israel's ambassador in April 2025 cannot be verified.

false

**Verdict: FALSE**

## Justification

The claim is not supported by the evidence. While the Israeli ambassador was expelled from the African Union headquarters and a conference, there is no information to confirm the date of the expulsion, specifically in April 2025.
