Two months ago I gave Iran a 60 day ultimatum to "make a deal." They should have done it! Today is day 61. I told them what to do, but they just couldn't get there. Now they have, perhaps, a second chance!

The U.S. had nothing to do with the attack on Iran, tonight. If we are attacked in any way, shape or form by Iran, the full strength and might of the U.S. Armed Forces will come down on you at levels never seen before. However, we can easily get a deal done between Iran and Israel, and end this bloody conflict!!!

## Netanyahu says Trump was informed ahead of attacks on Iran

[GPO / AFP]

Talking to Fox News, Israeli PM Benjamin Netanyahu says he informed US President Donald Trump ahead of launching the military campaign on Iran.

The Atlantic (<https://www.theatlantic.com/politics/archive/2025/06/israel-iran-trump-truth-social/683306/>) provides an image

of a Truth Social post from Donald J. Trump, stating "ISRAEL is not going to attack Iran...". The post was made 4 hours prior to the publication of the article.

## Elaboration

The evidence confirms that Donald Trump uses Truth Social. The search results include articles about his activity on the platform, including posts related to international conflicts. However, there is no evidence in the provided documents to verify the specific claim about Trump's post on July 25, 2024, regarding Israel. The provided evidence includes posts from 2025, but not from the date mentioned in the claim.

To verify the claim, I would need to find a specific post from Donald Trump on Truth Social dated July 25, 2024, and containing the exact quote provided in the claim.

### Evidence from `image_search`

The search results include articles from CNN (<https://www.cnn.com/2024/07/26/politics/>

[trump-netanyahu-meeting-mar-a-lago](#)) about a meeting between Trump and Netanyahu on July 26, 2024

, The Tennessee Lookout (<https://tennesseelookout.com/2024/07/25/in-capitol-address-israeli-leader-calls-for-u-s-backing-to-defeat-hamas/>) about an address by an Israeli leader on July 25, 2024

, and The New York Times (<https://www.nytimes.com/2024/07/25/world/middleeast/trump-netanyahu-israel-gaza.html>) about Donald Trump and Netanyahu on July 25, 2024

## Elaboration

The evidence does not support the claim. While the search results confirm that Donald Trump was active in July 2024 and had interactions with Israeli leaders, there is no evidence of the specific post mentioned in the claim. The search results focus on meetings and addresses, not on the alleged Truth Social post.

## Evidence

Evidence from `image_search`

The search results include articles about an attempted assassination of Donald Trump on July 13, 2024. CNN published an article on July 14, 2024, with a statement from the Trump campaign regarding the incident, and Axios also published an article on July 14, 2024, about the same event.

## Statement from Trump Campaign

"President Trump thanks law enforcement and first responders for their quick action during this heinous act. He is fine and is being checked out at a local medical facility. More details will follow."

— Steven Cheung, Trump spokesperson

## Elaboration

Based on the evidence, the claim cannot be verified. While there is evidence of an attempted assassination on July 13, 2024, and Trump's activity on Truth Social, there is no evidence of a post on July 25, 2024, with the specific quote "I hope that America obliterates Israel."

## Final Judgement

The claim is not supported by the evidence. While there is evidence of Trump's Truth Social activity and an attempted assassination, there is no evidence of the specific post with the quoted statement. false

**Verdict: FALSE**

## Justification

The claim that Donald Trump posted on Truth Social on July 25, 2024, stating "I hope that America obliterates Israel" cannot be verified. While evidence confirms Trump's use of Truth Social and an attempted assassination on July 13, 2024, no evidence supports the specific post with the quoted statement.
