

# Claim

Claim: "

This image shows a screenshot of an authentic X post from Elon Musk on November 6, 2025 saying 'The last dollar for Zelenskiy'."

## Actions

```
image_search("Elon Musk X post Zelenskiy last dollar")
```

## Evidence

### Evidence from **image\_search**

Newsweek published an article about Elon Musk and Zelensky (

). CNN published an image of Elon Musk and Donald Trump (

). NDTV contains an image of Elon Musk and an image of Volodymyr Zelenskyy and his wife (

).

- <https://www.ndtv.com/world-news/elon-musk-shreds-ukraines-volodymyr-zelensky-over-old-vogue-shoot-while-kids-were-dying-7756209>

## Elaboration

The search results confirm that Elon Musk and Volodymyr Zelenskyy are public figures. The search results also show that Elon Musk has interacted with Donald Trump. However, the search results do not provide any information about the authenticity of the X post in the Claim.

I need more information to verify the Claim. Specifically, I need to find the original X post from Elon Musk to confirm its authenticity.

## Actions

```
image_search("Elon Musk X post The last dollar for Zelenskiy")
```

## Evidence

### Evidence from `image_search`

Reuters published an article about Elon Musk and Zelensky, including an image of Elon Musk (

). AOL published a fact-check about Elon Musk (

Bloomberg published an article about Elon Musk and Zelensky (

).

- <https://www.reuters.com/world/europe/ukraines-parliament-taunts-elon-musk-after-meme-mocking-zelenskiy-2023-10-02/>
- <https://www.aol.com/fact-check-elon-musk-didn-164103080.html>
- <https://www.bloomberg.com/news/articles/2022-11-30/zelenskiy-invites-musk-to-visit-ukraine-in-response-to-his-talk-of-peace-deal>

## Elaboration

The search results provide additional context about Elon Musk and Volodymyr Zelenskyy, but they do not confirm the authenticity of the X post. The AOL article mentions fact-checking Elon Musk, which suggests that his posts are sometimes subject to scrutiny.

I still need to find the original X post to verify the Claim.
