# GUESS WORD

None of the sources mention that White was on a Ukrainian enemies hit list.

### **Evidence from web\_search**

Jamie White, an Infowars reporter, was shot dead in Austin, Texas. Alex Jones speculated that the killing “could’ve been a hit” orchestrated by Ukraine, while the police believe the suspects were possibly burglarizing White's vehicle. White's social media accounts indicate that he believed he was on a Ukrainian hit list. The "Investigate Earth Conspiracy Podcast" also discusses the murder and mentions that White may have been on a Ukrainian NGO hit list.

## Elaboration

The claim is partially supported by the evidence. The evidence confirms that Jamie White, an InfoWars reporter, was shot dead in Austin, Texas, on March 10, 2025. The evidence also indicates that Alex Jones speculated that the killing "could've been a hit" orchestrated by Ukraine, and that White believed he was on a Ukrainian hit list. However, the evidence does not explicitly state that it was revealed that White was on a Ukrainian enemies hit list.

## Final Judgement

The evidence confirms that Jamie White was shot dead in Austin, Texas, and that there are speculations about a Ukrainian connection. However, the evidence does not explicitly state

that it was revealed that White was on a Ukrainian enemies hit list.

false

**Verdict: FALSE**

### **Justification**

The claim is partially supported by the evidence. While it's confirmed that Jamie White was shot dead in Austin, Texas, on March 10, 2025, and that there are speculations about a Ukrainian connection, the evidence does not explicitly state that it was revealed that White was on a Ukrainian enemies hit list.
