## Evidence

### Evidence from **image\_search**

CNN published an article about a military parade in Poland on August 15, 2023, and Al Jazeera reports that Poland held a military parade.

The provided sources do not mention the date August 14, 2024, or any preparation for war with Russia.

## Elaboration

The evidence confirms that Poland held a military parade. However, the provided evidence does not support the claim that the parade occurred on August 14, 2024, or that it was a preparation for war with Russia. The evidence mentions a parade on August 15, 2023.

The claim's date and the reason for the parade are not supported by the evidence.

## Final Judgement

The evidence confirms that Poland held a military parade, but the provided sources do not support the claim that the parade occurred on August 14, 2024, or that it was a preparation for war with Russia.

The claim is not factually accurate because the date and the reason for the parade are not supported by the evidence. *false*

**Verdict: FALSE**

## Justification
