Elaboration

The evidence confirms that Greta Thunberg has expressed anti-Israel sentiments. Specifically, a video from December 2024 shows her saying, "And f--- Israel!" Additionally, in June 2025, she was deported by Israel after being intercepted on a Gaza-bound aid boat. However, the evidence does not include an image of Thunberg holding a sign that says "Fuck Israel." Therefore, the claim cannot be verified.

Final Judgement

The evidence confirms that Greta Thunberg has expressed anti-Israel sentiments, but there is no evidence to support the claim that she held a sign that said "Fuck Israel."

false

Verdict: FALSE

Justification

The claim is not supported by the evidence. While Greta Thunberg has expressed anti-Israel sentiments, including saying "And f--- Israel!" in December 2024, and being deported from Israel in June 2025, there is no evidence to support the specific image of her holding a sign that says "Fuck Israel."
