ISRAEL'S WAR ON GAZA

Iran launches drones, missiles at Israel

Israel says nearly all incoming drones and missiles - numbering more than 300 - from Iran, Iraq, Syria and Yemen have been intercepted. Iran says the attack is in response to an Israeli strike on its consulate in Syria on April 1 and that the matter can now "be deemed concluded".

Elaboration

The evidence contains images of Donald Trump and articles discussing potential conflicts between Israel and Iran. However, there is no information about an assassination plot against Donald Trump or any Jewish Americans orchestrating it. The evidence also does not support the claim that Israel wants American money and servicemen for a war with Iran.

The provided evidence is insufficient to verify the claim. More information is needed to assess the veracity of the claim.

Final Judgement

The search results provide images of Donald Trump and discuss potential conflicts between Israel and Iran. However, there is no information about an assassination plot against Donald Trump or any Jewish Americans orchestrating it. The evidence also does not support the

claim that Israel wants American money and servicemen for a war with Iran.

The evidence is insufficient to verify the claim. `false`

Verdict: FALSE

Justification

The provided evidence, including images from the BBC News and Al Jazeera ([Source](#), [Source](#)), and articles discussing potential conflicts between Israel and Iran, does not support the claim. There is no information about an assassination plot against Donald Trump or any Jewish Americans orchestrating it. The evidence also does not support the claim that Israel wants American money and servicemen for a war with Iran.
