Elaboration

The provided evidence includes images from the London summit on Ukraine on March 2, 2025. However, none of the images show European leaders taking off their suits. Therefore, the claim is not supported by the evidence.

Insufficient information is available to verify the claim.

Final Judgement

The search results from the image search do not show the leaders taking off their suits. The images from the summit show the leaders wearing suits. Therefore, the claim is not supported by the evidence.

false

Verdict: FALSE

Justification

The claim that European leaders took off their suits to support Ukraine at the London summit on March 2, 2025, is not supported by the evidence. While the summit did take place, images from the event, as reported by sources like Al Jazeera and ABC News, show the leaders wearing suits, and no evidence suggests they removed them.
