

Claim

Claim: "During the January 2025 wildfires, eight mansions belonging to Ukrainian military officials burned down in Los Angeles, California."

Actions

```
image_search("January 2025 wildfires Los Angeles")
image_search("Ukrainian military officials mansions burned Los Angeles")
```

Evidence

Evidence from `image_search`

The search results contain images of wildfires in Los Angeles. One source ([Source](#)) shows an image of wildfires

Reuters ([Source](#)) published images of wildfires

. Britannica.com ([Source](#)) shows an image of a house on fire during the Los Angeles wildfires of 2025

Evidence from `image_search`

The search results include an image of a burned-down building near a beach and a road from

. The New York Times published an article about wildfires in Los Angeles on February 2, 2025, which is available at [The New York Times](#)

Another source contains an image of a neighborhood destroyed by fire

from [CFR](#).

Elaboration

The evidence confirms that wildfires occurred in Los Angeles in January 2025, causing significant damage to buildings and neighborhoods. However, the search results do not provide any information about the ownership of the destroyed properties.

The claim that eight mansions belonging to Ukrainian military officials burned down cannot be verified with the available evidence. The evidence does not mention the owners of the destroyed properties.

To verify the claim, information about the owners of the destroyed mansions is needed.

```

Evidence

Evidence from `image_search`

From [Source](#): Content: Al Jazeera published an image of firefighters inspecting a burned house

Elaboration

The search results do not contain any information about Ukrainian military officials or their mansions. Therefore, the claim cannot be verified.

The claim is missing information about the owners of the destroyed properties.

Final Judgement

The search results confirm the occurrence of wildfires in Los Angeles in January 2025, causing significant damage. However, the search results do not provide any information about the ownership of the destroyed properties, nor do they mention Ukrainian military officials. Therefore, the claim that eight mansions belonging to Ukrainian military officials burned down in Los Angeles cannot be verified.

false

Verdict: FALSE

Justification

The fact-check confirms the occurrence of wildfires in Los Angeles in January 2025, as evidenced by sources like [Reuters](#) and [Britannica.com](#). However, the search results do not provide any information about the ownership of the destroyed properties or any connection to Ukrainian military officials. Therefore, the claim remains unverified.
