# **Elaboration**

The evidence confirms that Lech Wałęsa wrote a letter to Donald Trump on March 3, 2025. The letter expressed Wałęsa's criticism of Trump's treatment of Zelenskyy. However, the provided sources do not explicitly mention the suspension of U.S. military aid to Ukraine as the primary focus of Wałęsa's criticism.

Therefore, while the claim is partially supported by the evidence, it is not entirely accurate. The evidence suggests that Wałęsa criticized Trump's actions related to Ukraine, but the

specific reason for the criticism is not the suspension of military aid.

To fully verify the claim, information is missing regarding the exact content of Wałęsa's letter and whether it specifically addressed the suspension of U.S. military aid.
