Elaboration

The claim is supported by the evidence. The image is geolocated to Israel. Image search results confirm a drone attack on Tel Aviv in July 2024. Reverse image search results show the image appearing in articles about an explosion in Tel Aviv on July 19, 2024, and an attack by Hezbollah on October 22, 2024.

Final Judgement

The image is of an explosion in Tel Aviv. The event is confirmed by multiple sources, including reports of a drone attack in July 2024 and a rocket attack in October 2024. The image is therefore correctly associated with an attack on Tel Aviv.
