Evidence

Evidence from `reverse_search`

The image in the claim was found on LinkedIn in an article by Carlos María de Cerón y Castro (https://www.linkedin.com/pulse/people-because-nobody-can-do-everything-everybody-de-cer%C3%B3n-y-castro). The same image was also found on 63rdfloor.com in an article discussing the Israeli-Palestinian conflict, which includes an image of J.D. Vance's X profile with the text "I Stand With Israel"

Elaboration

The evidence confirms that the image in the claim is a screenshot of J.D. Vance's X profile. The reverse image search found the image on LinkedIn and 63rdfloor.com. The 63rdfloor.com article specifically mentions the text "I Stand With Israel" in relation to the image of J.D. Vance's X profile.

Therefore, the claim is likely true.

Final Judgement

The evidence from the reverse image search confirms that the image in the claim is a screenshot of J.D. Vance's X profile. The search found the image on LinkedIn and 63rdfloor.com, with the latter article specifically mentioning the text "I Stand With Israel" in relation to the image.
