# Claim

Claim: "

 This image shows the aftermath of an explosion of a Hezbollah pager in Lebanon in September 2024."
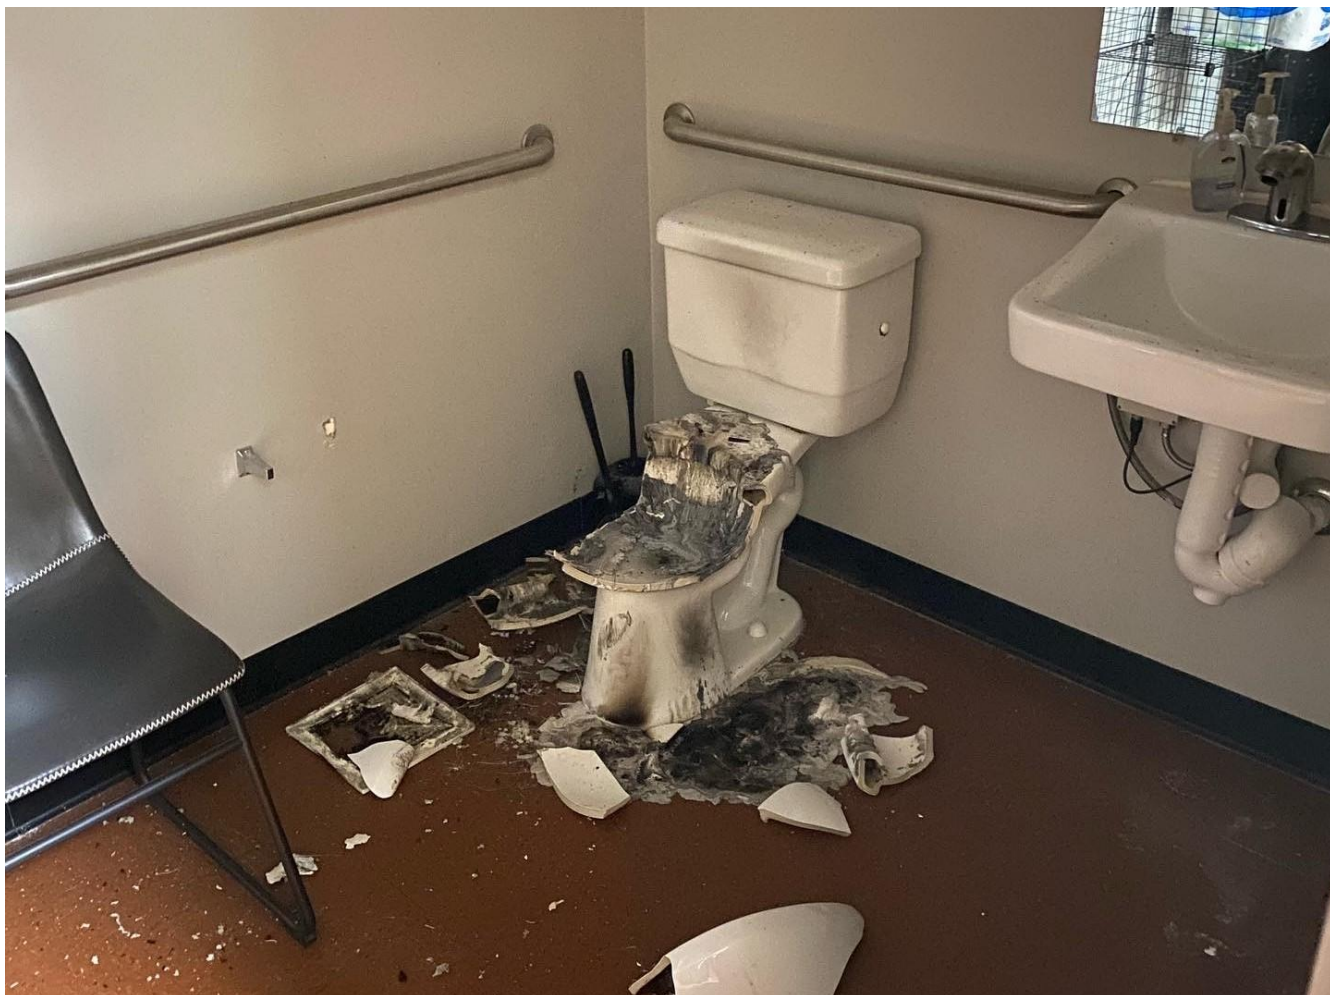

Actions

```
image_search("exploded toilet")
image_search("toilet explosion damage")
```
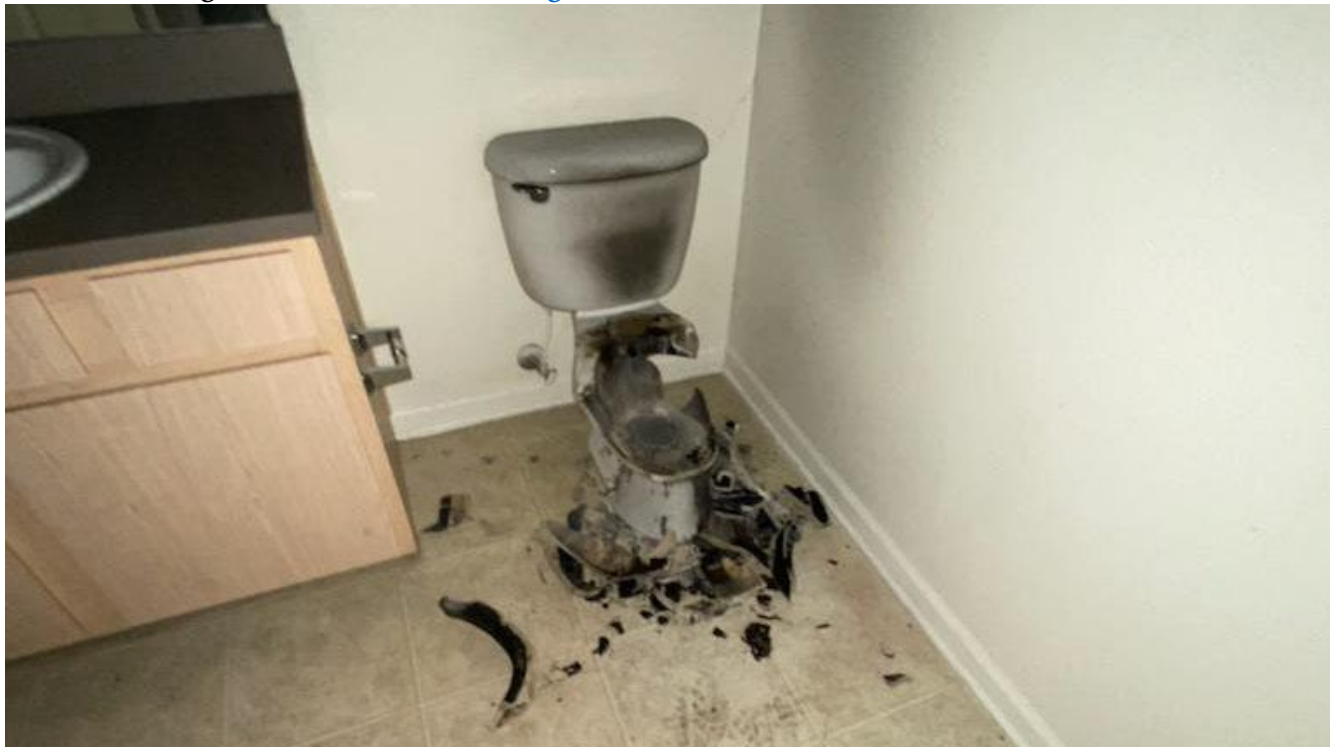

Evidence

Evidence from `image_search`

The search results include images of exploded toilets. One image is from localsyr.com

. Another image is from Fox 5 San Diego

. The Sun also published an article about a toilet explosion

.

Evidence from `image_search`

From : Content: The image

Some Hezbollah operative blew up while taking a dump.
💥🍿💥🍿💥🍿💥🍿💥😎
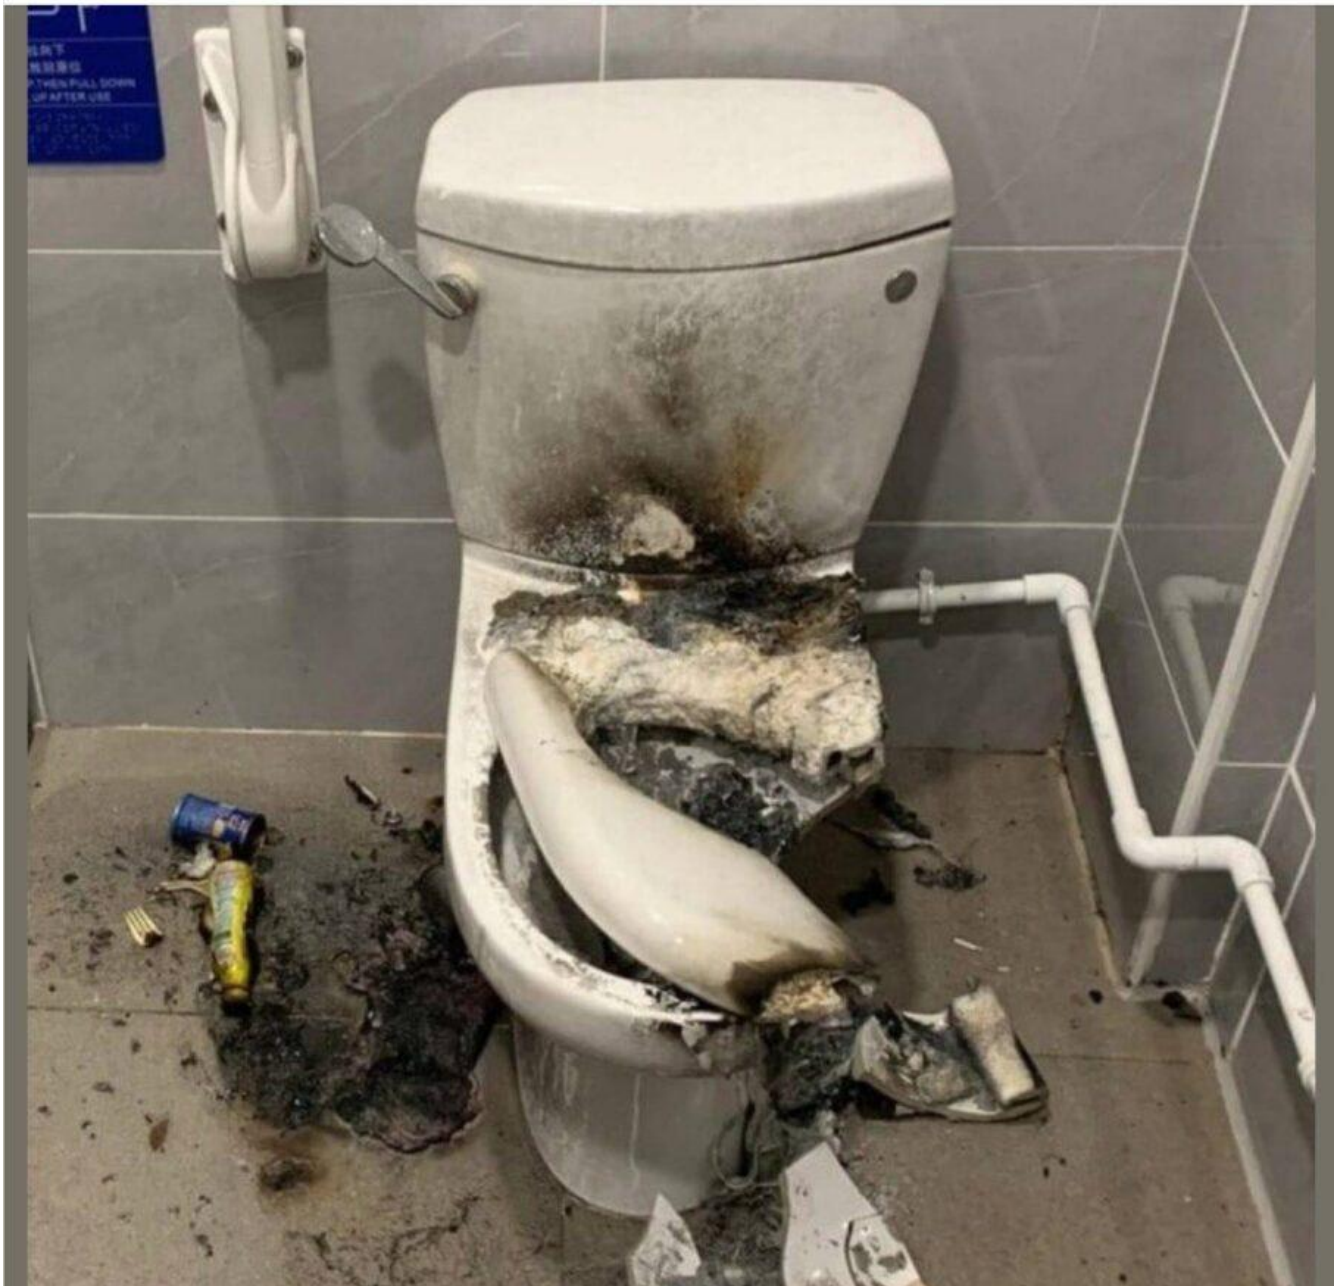

shows a damaged toilet. The source claims the image is old and from 2020.

Elaboration

The image in the claim shows a damaged toilet. The evidence from the image search reveals that the image is old and from 2020. The source states that the image is falsely shared as a recent Hezbollah incident in Lebanon.

Therefore, the claim is false.

Final Judgement

The image shows a damaged toilet, but the evidence indicates that the image is old and not

related to a recent Hezbollah incident in Lebanon. The image was taken out of context and misrepresented. `false`

Verdict: FALSE

Justification

The image in the claim depicts a damaged toilet, but the evidence from a fact-checking source ([Source](#)) indicates that the image is old and unrelated to the alleged event.
